

**SUNDAY,
OCTOBER 27
2024**

**FORT SAM HOUSTON GOLF CLUB
SAN ANTONIO, TX**

Join us for the 2nd Annual One Community Charity Golf Tournament, held in conjunction with ADC's Installation Innovation Forum in Military City USA, San Antonio, Texas. This year's tournament will be hosted at one of the most historic bases in the country, home to the Army's Installation Management Command – Fort Sam Houston. We are excited to bring this event on-base and create a unique military-community connection that is core to ADC's mission. Proceeds from the shotgun tournament will be donated to our 2024 charity partner, Operation Homefront. Fees for the event will support MWR programs on base. Be part of this unique networking opportunity, bringing together communities, military, and industry for a day of golf and support for a great charity.

CHARITY PARTNER

Since 2002, Operation Homefront has been proudly serving America's military families. Their organization provides relief and recurring family support programs and services throughout the year to help military families overcome short-term difficulties, so they don't become long-term hardships.

A key aspect of their mission is to ensure that military families have access to the support and resources they need to stay strong, stable, and secure in the face of adversity. As a military family support organization, they strive to provide respect and understanding to our military families while ensuring that all families in need of assistance receive it. At Operation Homefront, 83 percent of expenditures go directly toward delivering programs and services to the military families who need it most. Their vision is to be the provider of choice for short-term financial relief and recurring family support programs to ensure the long-term empowerment, self-sufficiency, and resiliency of military families.
